Who We Are

Bibi Consulting, Inc. is an Canadian corporation established during 1999 for the purpose of providing internal audit & risk management consultancy services.

Wa'el F. Bibi, CPA,CIA,CISA

The founder and president of the company is Wa'el F. Bibi, CPA, CIA,CISA

Prior to establishing Bibi Consulting, Wa'el was a worldwide partner with a big five accounting firm. During his association with the firm he established and managed its tax and legal practice in the Middle East for more than a decade. Under his leadership, it became the premier provider of quality tax services in the region. He has also managed the Firm's Enterprise Group which provided accounting, auditing and business consulting services to small businesses.

In the last few years, Wa'el has focused his efforts on providing internal audit services to clients in North America and the Middle East. He has established and managed the internal audit activity for multi-billion dollar companies in Kuwait and UAE.

His 30+ years of experience in the Middle Eastern and North American markets coupled with his professional education and qualifications places him in a unique position to provide quality services to domestic and international clients.

Wa'el holds a B.A in accounting and has earned accounting and audit designations from the US .

Wa'el is a member of the following professional organizations:

- ISACA.
- The Institute of Internal Auditors.
- The Jordanian Association of Certified Public Accountants.
